Letter: Greetings,

Stop high rise apartments in Umina's West Street

# Comments

Name	Location	Date	Comment
Tracey Fraser	Australia	2021-06-27	"no thank you to apartments in umina"
Kathleen Morison	Australia	2021-06-27	"I believe that the height limit should be preserved at 2 stories to allow light and breeze and preserve the village like area"
Angie Eastwood	umina beach, Australia	2021-06-27	"The development is too big and too high in an area that is already saturated with medium density accommodation . The local infrastructure , including parking and road traffic , is struggling to cope as it is."
dianne parks	Australia	2021-06-27	"Because we do not need high rise above 2 story's on Uminas Main street"
John Willson	Australia	2021-06-27	"Totally support Mr Mular's concerns re height, bulk, shadowing and increased residential density. All these aspects will have adverse effects on the enjoyment of sun, the current problematic traffic load and the streetscape. Then, if the development proceeds, our community will be left with an unfortunate precedent."
KATE HOWE	Sydney, Australia	2021-06-27	"I don't want our waterfront destroyed for a few privileged to enjoy"
Madeline Barnard	Umina Beach, Australia	2021-06-27	"It doesn't need high rise buildings."
