Dear Mayor and Councillors

**DA61592/2021- 16 Warrah Street, Ettalong Beach NSW 2257 8.2A Review**

My wife and I wish to lodge an objection to the above project being approved following further consideration of the application.

Council has rejected the application on the first occasion with sound reasons. Small changes have been made to the original plans but the larger problems remains. **Over Development of Warrah Street** causing many parking and driving problems for the residents in this street.

Of the 33 lots in the street 18 have been developed and a further 4 are earmarked for development.

Congestion in this street has made it very difficult for all residents of Warrah Street.

Yours Sincerely
